

DID YOU KNOW...

50% of the junior high students who die in car crashes *aren't buckled up.*

2 out of **3** teens that die in car crashes are in cars driven by other teens.

It is **illegal** for a teen in Texas to **talk or text** on a phone while driving.

Half of all crashes happen **5-10** minutes from home.

You are more likely to be **injured** if you're in the front seat.

CAR CRASHES are the leading cause of **DEATH** for junior high and high school students.

Safety experts say that anyone under the age of 13 should always ride in the back seat.

LEARN TO SURVIVE BEFORE YOU DRIVE.
