

TEEN ADVISORY BOARD APPLICATION

Teens in the Driver Seat® is the nation's first peer-to-peer safety program for young drivers, involving teenagers directly in developing and delivering driving safety messages. The goal of Teens in the Driver Seat is to raise awareness of the top driving dangers for teens and prevent crashes involving young drivers. The program empowers teens to spread the word among their peers about deadly driving risks and encourage them to make smart choices while behind the wheel and as passengers.
