Reversed Alphabet:
(if installing cups from back of fence)

TDS FENCE CUPS TEMPLATE AND INSTRUCTIONS
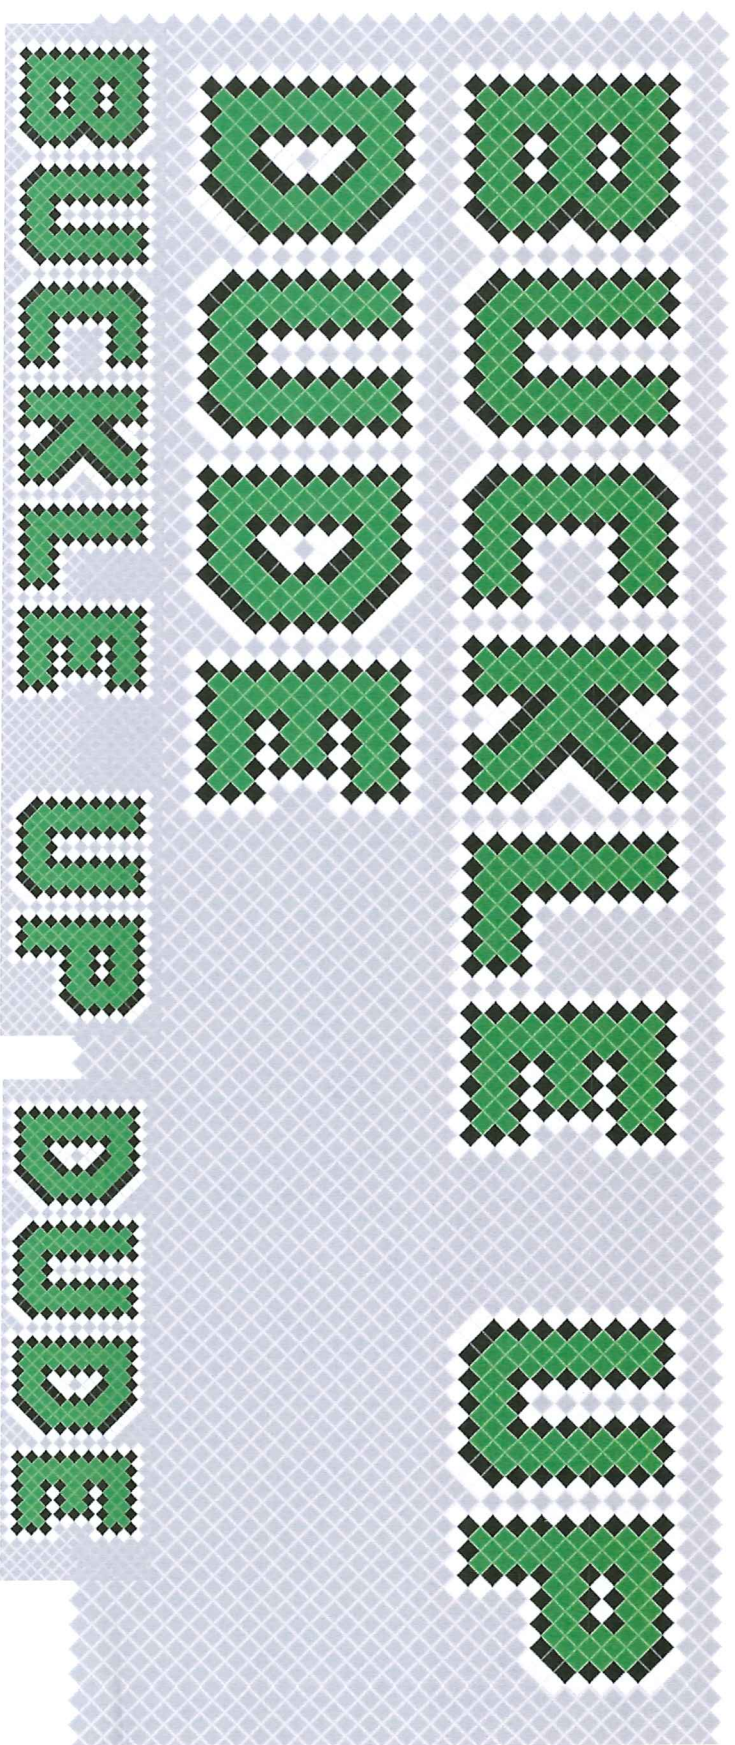

Installing:

1. Start with green cups (example in red)
2. Fill in letter, skip 2 spaces for next cup
3. Outline letter with white
4. Outline again with black
5. Leave two spaces between letters and 12 spaces between words.

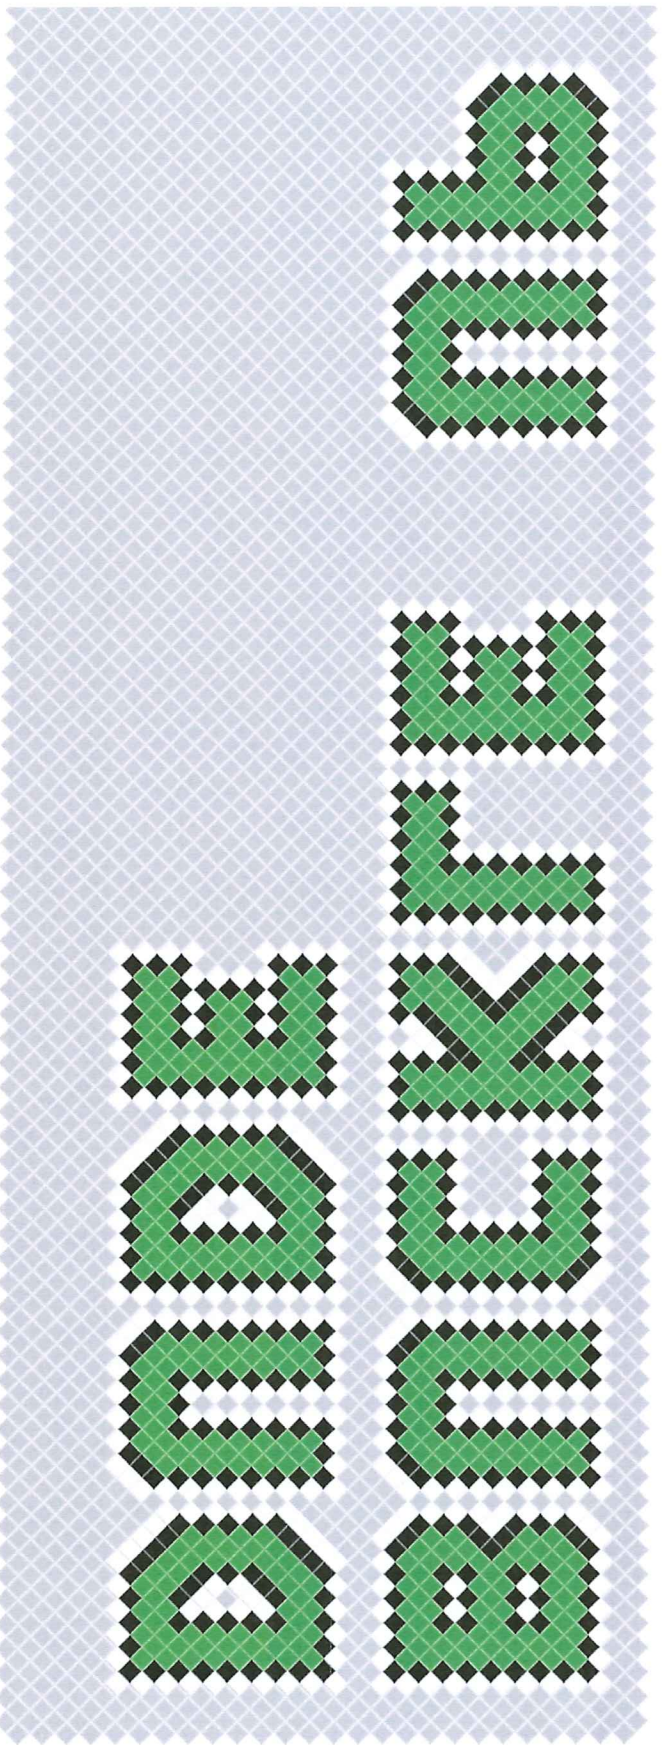

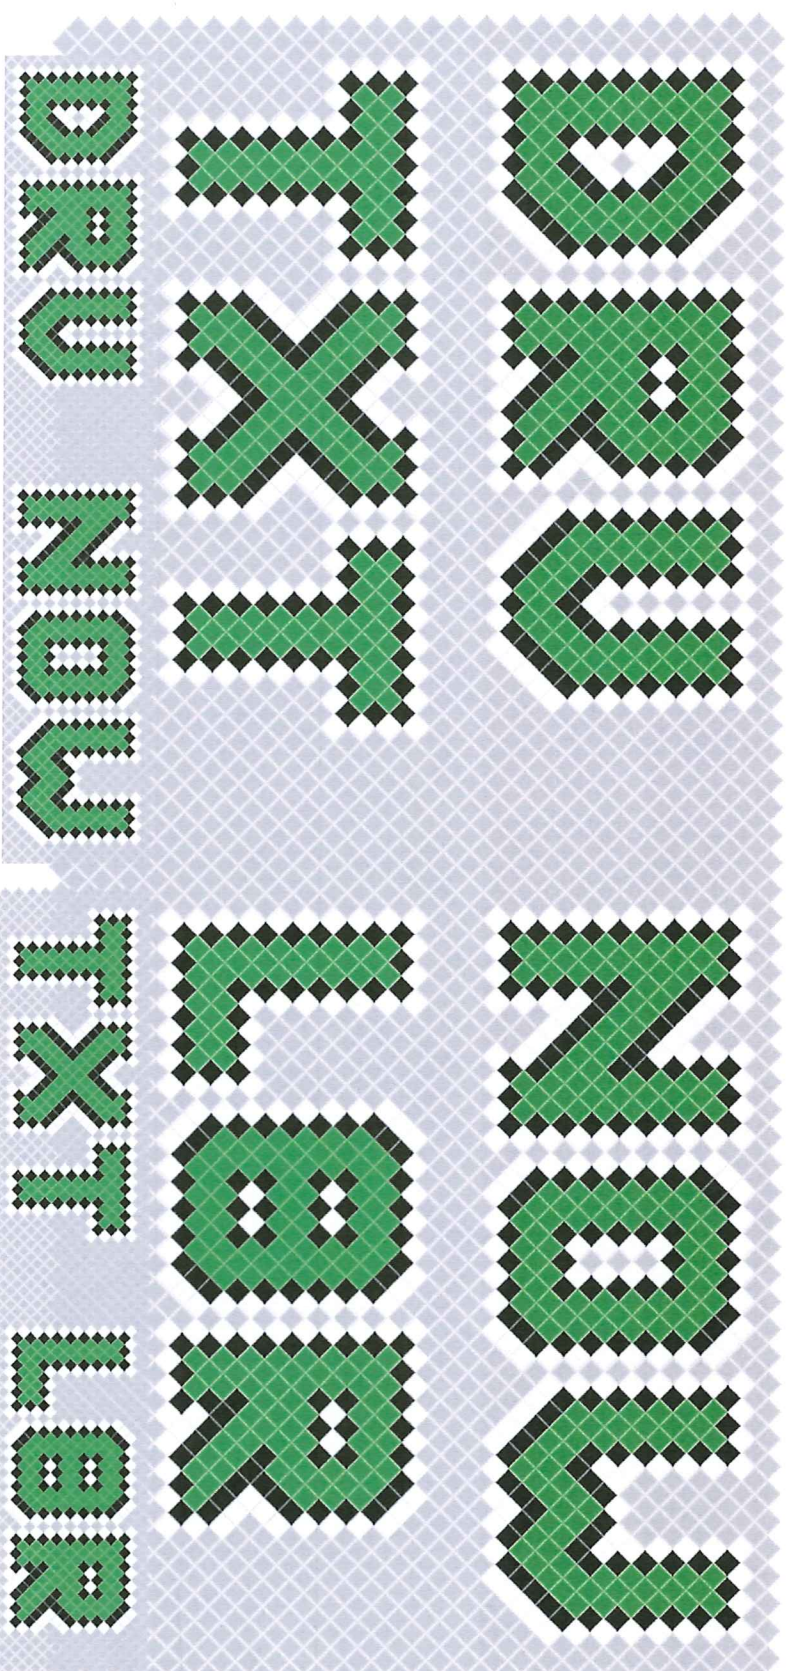

Main color with two trims 10 spaces tall

*Images and tips from putincups.com*

Use the top or bottom design depending on what direction you want the cups to face, do the outline first then fill in rest.
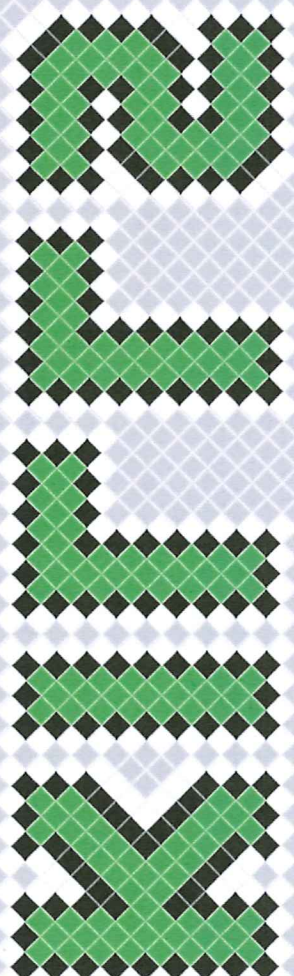

Use the top or bottom design depending on what direction you want the cups to face, do the outline first then fill in rest.
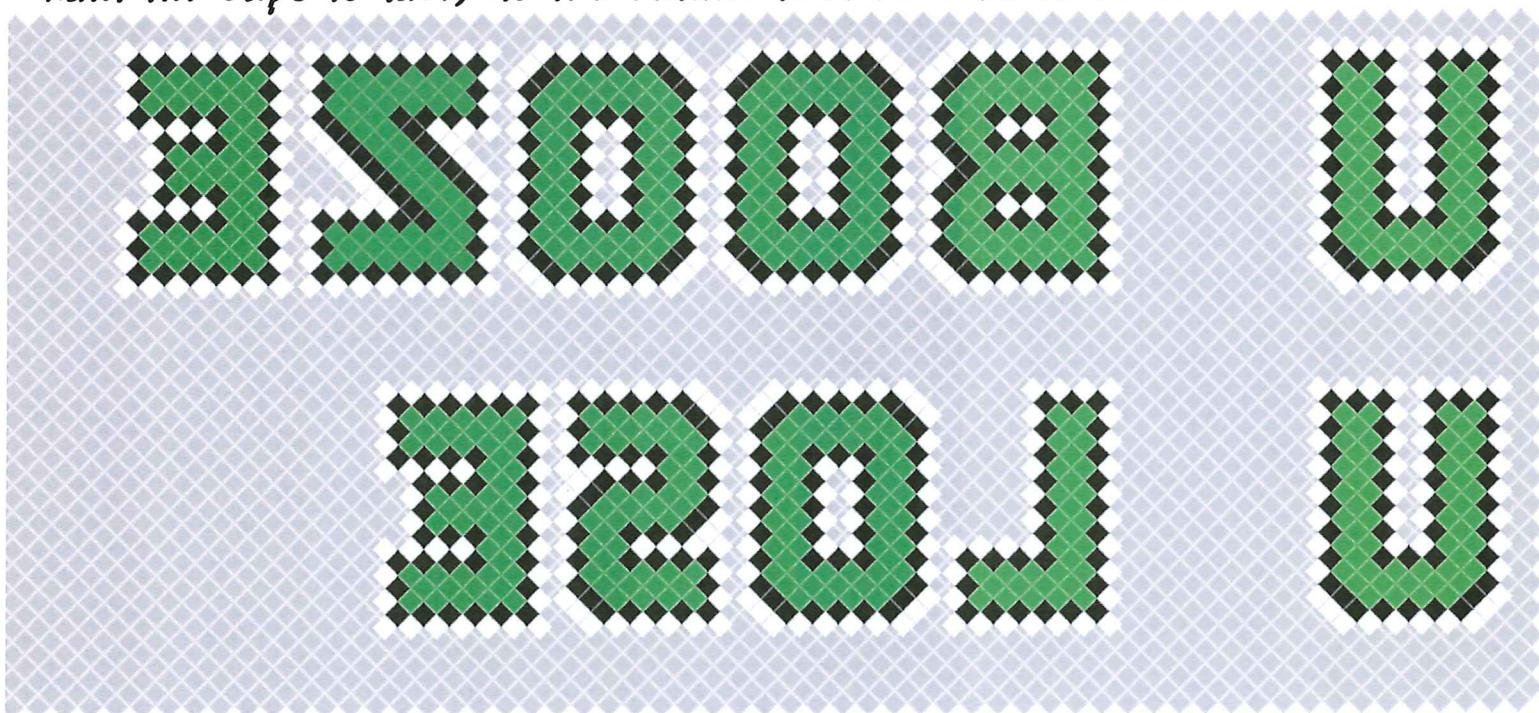

SPEEDING KILLS
