Video/Photo Release:

I grant permission to the Teens in the Driver Seat® program and the Texas A&M Transportation Institute (collectively "TTI") to take and use visual/audio images of me as part of ongoing communication efforts to advance the Teens in the Driver Seat program, a program designed to reduce the frequency of vehicle crashes involving teenage drivers. "Visual/audio images" include any type of recording whatsoever including but not limited to photographs, digital images, drawings, rendering, voices, sound or video recording, audio clips or accompanying written descriptions. I agree that TTI owns the images and all rights related to them.

I understand that the images may be used in video and audio productions, public service announcements, on the Teens in the Driver Seat program website (t-driver.com), and any other uses deemed appropriate by TTI, without compensation or notification. I waive any right to inspect or approve the finished images or any printed or electronic matter that may be used with them.

I release and hold harmless TTI, its employees and agents, from any claim, damages, or liability for any violation of any personal or proprietary right I may have in connection with such recordings or use. I freely and voluntarily consent to the use and publication of the images by TTI from this date forward until I revoke this consent in writing.
